Hi Todd,

I am pretty unavailable until after the first of the year, but would be happy to talk to your lawyer.

The Law Project for Psychiatric Rights is a public interest law firm devoted to the defense of people facing the horrors of forced psychiatric drugging and electroshock. We are further dedicated to exposing the truth about these drugs and the courts being misled into ordering people to be drugged and subjected to other brain and body damaging interventions against their will. Currently, due to massive growth in psychiatric drugging of children and youth and the current targeting of them for even more psychiatric drugging, PsychRights has made attacking this problem a priority. Children are virtually always forced to take these drugs because it is the adults in their lives who are making the decision. This is an unfolding national tragedy of immense proportions. Extensive information about all of this is available on our web site, <http://psychrights.org/>. Please donate generously. Our work is fueled with your IRS 501(c) tax deductible donations. Thank you for your ongoing help and support.

Subject: hi Jim Gottstein

was wondering if you'd be interested in joining my team to assist my lawyer personally to help guide my case, the investigation on the Oregon State Hospital, and all the crime, victimization, fraud, malpractice, and psychiatric/military type abuses I was exposed to?

I was thinking it'd be cool to make sure I get the best defense and maybe use my case to set a precedent and nail the industry.

thank you,

Todd Giffen
